- \***Light Stage Makeup** (can touch up from the Photoshoot as needed)
- \***Leotard as a base layer**
- \***Black Leggings**
- \***White Studio T-shirt from last season** (I should have extras at the studio, please let me know by Thursday night if needed)
- \***Long Sleeve Shirt** (to wear under Studio T-shirt)
  - Pink, Black, Navy, or White are ideal

- \***Studio Jacket & Pants** – optional if you have one (to wear over/beforehand)
- \***Sneakers & old pair of Ballet/Jazz Shoes**
  - Dancers will most likely wear ballet shoes since they will be performing on the stage.
  - Please wear Sneakers to get there, to have as a backup if the surface is not great for dancing. Please choose the most neutral/lightweight pair you already have from home.
  - If dancers have Jazz shoes (an old pair is preferable) please bring those as an option as well.

### **2:15pm Leave for Starlighting**

- \*Parents pick up dancers at the studio, to drive them to the Starlighting.
- \*We will **Not** return to the studio after the performance. So dancers should take all of their belongings when leaving for the Starlighting.
- \*Dancers may need to bring their prop with them as well, as applicable.
- \*Our performance location is listed as the Festival Park Stage. So, this is the general area our group will meet up at. Please look for each other and gather in one spot.
